

Appendix B**DATA TRANSFER RECORD**

The Data described below is supplied by the Provider to the Recipient subject to the terms and conditions of the Data Transfer Agreement between The Regents of the University of Michigan ("Recipient") and GlaxoSmithKline LLC ("Provider"), dated as of the 24th day of August, 2010 ("Agreement"). Duplicate originals of this form shall be executed and one fully executed form shall be given to the Provider and one to the Recipient.

Description of Data: _____
 106 chemical structures, represented by SMILES strings, plus
 assay data for the 106 compounds in five different Factor-Xa
 assays, plus a crystal structure for each of three compounds
 bound to the Factor-Xa protein, with coordinates in PDB format,
 and experimental crystallography data in MTZ format.

In signing below, the Investigators acknowledge that they understand and will abide by the terms and conditions under which the Data is provided.
